The History of Whitby Jet by Rebecca Tucker Curator, the Museum of Whitby Jet

A collection of various pieces of Whitby Jet jewelry, including necklaces, earrings, and brooches, displayed on a white background.

Enjoy a fascinating insight into one of history's most intriguing jewellery industries. The story of a gemstone which perfectly encapsulates an era dominated by social hierarchy, symbolism and death.

From its humble beginnings as a seaside souvenir, to being worn by some of Europe's most important and influential women, the fluctuating success of Whitby Jet is a compelling step back in time from ancient man, right up to present day.
